**Additional Backup Information:**

The URA owns most of the parcels located at Blocks 16 and 18 along East 11th Street in East Austin, among other real property within the Urban Renewal Plan area. As an effort to implement the East 11th and 12th Streets Urban Renewal Plan, the URA executed a Memorandum of Understanding with the Austin Economic Development Corporation (AEDC) at the end of 2021 to assist with the request for proposals (RFP) that will ultimately lead to the development of these Blocks. A title commitment policy secured for Blocks 16 and 18 in anticipation of the development identified an exception to title for two of the tracts within Block 18, being Parcel 7 (1103 Juniper Street) and Parcel 8 (1159 Waller Street) as identified in exception 9 of the title commitment policy as Tracts 1 and 2. A deed is required for a transfer of the property from the Austin Housing Finance Corporation to the City of Austin to correct exception 9 of the title commitment policy:

9. Title vested is pursuant to that certain General Warranty Deed dated June 26, 2003, recorded under Document No. 2003221044 of the Official Public Records of Travis County, Texas wherein the City of Austin conveyed to Urban Renewal Agency of the City of Austin. However, the previous deed was dated September 30, 1994, and recorded under Volume 12284, Page 1494 of the Real Property Records of Travis County, Texas, wherein Austin Housing Finance Corporation was conveyed the subject tract. Company finds no deed out of Austin Housing Finance Corporation to the City of Austin filed of record. Company requires a General Warranty Deed from Austin Housing Finance Corporation to the City of Austin be filed of record prior to closing. (TRACTS 1 AND 2).
